# It's Not Just A Job It's Our Passion

AR Removals & Storage is a South Australian family-owned and operated company established in 2001 with over 20 years experience in the removals trade. Chris and Ruth Anspach have continued to evolve through an ever-changing landscape.

AR Removals continual growth is based on the true understanding of the stress and rigours that can be involved in moving furniture and goods.

## HOUSEHOLDS | OFFICE SPACE | COMMERCIAL

Chris and Ruth pride their family business on supplying OLD SCHOOL customer service.

Meaning... each customer has the *Peace of Mind* in knowing every job is undertaken to provide a stress-free experience through the communication and complete care of our customers personal possessions as if they were our own.

# We'll Show You The DIFFERENCE

## GROWTH THROUGH GOOD BUSINESS

Starting out with an ol' 3 tonne 15m3 capacity truck, AR Removals has steadily grown to a fleet of state-of-the-art removalist trucks plus supporting equipment and storage facilities.

With a **never say no attitude** and **attention-to-detail**, our customers appreciate our approach and their referrals can largely be attributed to our growth.

**Our highly skilled team are  
well educated on our company values.**

# Helping Your Business

- AR Removals have over 19 years experience working with corporate companies such as large retail furniture outlets, large joinery and cabinet makers etc.
- AR Removals understands the importance of building strong relationships with companies.
- AR Removals provide our corporate partners *Peace of Mind* knowing that their customer orders are being delivered on your behalf by a professional company with a modern fleet of trucks, highly experienced staff and the knowledge that we are representing your company and how we conduct ourselves is a reflection on your business.
- We provide companies with the ability to grow their sales into rural and interstate areas that they otherwise wouldn't target, and regain lost sales from the inability to deliver their goods into such locations.
- Due to our ongoing growth and fleet size, AR Removals service areas others don't which allows our corporate customers the ability to know they have a transport partner that they can rely on to deliver their customers goods with a professional company at an affordable price for their customers.
- AR Removals specialise and regularly service mid-north Whyalla, Roxby Downs, Port Lincoln, Eyre Peninsula and most places in-between. We also have several runs per month into and out of Queensland.  
AR Removals also specialises in container rail to Western Australia.

**LOCAL OR AUSTRALIA-WIDE**

# Corporate Price Examples

AR Removals provide our corporate customers the ability to offer their customers a door-to-door delivery service for the many areas our company services.

*The above prices are examples only.  
Price depends on pick-up location plus shape, size, packaging etc.  
Non flat packed goods obviously take-up more space.  
To supply the Best Rates, your flexibility with delivery dates/times  
allows us to work these type of jobs into a full truck load.*

# Container Rail Service

- AR Removals specialise in the logistical movement of furniture via container to and from Western Australia. This creates another market opportunity for our corporate partners.
- AR Removals control all the logistics which would otherwise be a stressful and costly experience. By rail, AR Removals provides our corporate partners an affordable option to generate sales interstate or relocate goods from interstate branches.
- We collect goods from your business in South Australia then carefully pack our shipping containers ready for rail. Anything coming from West Australian is collected from rail and delivered as instructed.
- Timeframe for this service is regulated on the volume of goods and determines the frequency of containers moving between Adelaide and Western Australia.

# Container Storage

- AR Storage is a secured site monitored 24-hours.
- Access to AR Storage is by appointment only.
- AR Storage is continuing to evolve and grow with plans already in place for a second site.
- AR Storage takes away the need for any third parties as we handle all movements of goods via AR Removals.
- AR Storage currently offers modern 20 ft shipping containers that are fully weather and vermin proof.
- AR Storage is staffed daily being our operations office and holding/transfer yard for all rail containers.
- AR Removals has a 17 tonne Hyster container forklift and late model container truck for easy movement of storage containers.
- AR Storage offer competitive pricing plus discounted storage fees for customers that use AR Removals to relocate goods to and from storage.
- AR Storage is the only facility that offers professional wrapping and packing of goods into storage to ensure no damage. This service provides temperature control and protects your property against the heat. *Please note that fees apply.*

# Customer Reviews

**AR Removals & Storage strives to provide the best furniture removalist experience to all our customers.**

**We are proud that a large portion of our work is repeat or referrals from happy customers recommending AR Removals.**

Please see below for just a few of the comments we have received.

*Your service was impeccable, and I'd only ever use your company for the future and you are the only company I would recommend - old school characters through and through.*

- Krishna

*I would just like to say thank you very much for the service we received, I could not have asked a better company to help with our move. I will recommend your service to everyone I know. Thank you!*

- Carene

*My move was brilliant. The boys were great. What started out as a rather stressful experience, ended up being a great day. Thank you for assisting me in such a professional & compassionate manner. I certainly will not hesitate to recommend you to all friends and family when moving. A big Thank you.*

- Linda

*The guys were fantastic, nothing was too much trouble. Excellent service from start to finish, great price after hearing what some others have paid recently. So much care was shown on moving our possessions into our new home, such teamwork with a great group of guys. Highly recommend this team to anyone moving.*

- Peter

*A big thanks to Matt and Jarrad for once again giving us amazing service with our move. You guys are fantastic and I could not praise you highly enough for the efficient job you do. A wonderful company to deal with from start to finish! Thanks again for making a stressful time a lot easier.*

- Pam

# Company Advertising

## PEACE OF MIND FOR CORPORATE PARTNERS

AR Removals uses various forms of advertising to promote our company.

Our corporate partners can direct customers to our website if they want *peace of mind* in knowing more about the company that's been entrusted to handle their new furniture.

Our company uses multiple platforms of advertising with none being more important than continuing to provide excellence in our field resulting in **word-of-mouth** referrals.
